SANTA CRUZ, CALIFORNIA 95064

June 12, 2017

Yunhao Zhang
Astronomy and Astrophysics Department
zhangyunhao@pku.edu.cn

Dear Mr. Zhang:

I am pleased to offer you an appointment as Visiting Scholar in the Astronomy and Astrophysics Department for the period beginning June 30, 2017 through August 29, 2017. This appointment is made without salary.

You will report to Professor Puragra Guha Thakurta of the University of California Observatories and your duties will be to conduct research on intracluster globular star clusters in the Virgo Cluster of galaxies.

For this appointment to officially begin, you must contact Andrew Melford (831-459-3565 or amelford@ucsc.edu) in the Physical and Biological Sciences Business Office as soon as possible upon arrival to complete the necessary employment forms and receive an employee ID card.

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents specified in the Immigration Reform and Control Act of 1986. A list of acceptable documents for employment eligibility verification can be found at <https://www.uscis.gov/i-9-central/acceptable-documents>. Appropriate documents must be presented at the time employment forms are completed. If you are assigned to perform substantial work under certain federal contracts/subcontracts during your employment with the University, the University will need to confirm your eligibility to work in the United States through E-Verify. The University also may only employ individuals with a valid social security number. If you do not have a social security number, you must apply for one at the Social Security Administration Office. The local office is located at 169 Walnut Avenue, Santa Cruz (831-426-8111). See <http://www.ssa.gov/> for more information.

This is a term appointment with a specified end date. Should the hiring unit propose reappointment, a review to assess performance will be conducted. In addition, reappointment is contingent upon availability of funding.

We look forward to having you as a colleague at UC Santa Cruz.

Sincerely,
Paul L. Koch
Dean
