Dear Mr. Zhang:

I am pleased to offer you a courtesy appointment as an Undergraduate Visitor in the Astronomy and Astrophysics Department for the period beginning October 15, 2018 through February 1, 2019.

You will report to Professor Raja GuhaThakurta of the Astronomy and Astrophysics Department and your duties will be to conduct research involving the properties and evolution of galaxies using the Next Generation Virgo Cluster Survey time-resolved photometry data set.

Please contact Terri Rock in the Physical and Biological Sciences Business Office [(831) 459-3650 or [trock@ucsc.edu](mailto:trock@ucsc.edu)], upon your arrival to complete the necessary payroll/personnel forms.

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents specified in the Immigration Reform and Control Act of 1986. A list of acceptable documents for employment eligibility verification can be found at <https://www.uscis.gov/i-9-central/acceptable-documents>. Appropriate documents must be presented at the time employment forms are completed. If you are assigned to perform substantial work under certain federal contracts/subcontracts during your employment with the University, the University will need to confirm your eligibility to work in the United States through E-Verify. The University also may only employ individuals with a valid social security number. If you do not have a social security number, you must apply for one at the Social Security Administration Office. The local office is located at 169 Walnut Avenue, Santa Cruz (1-800-593-8523). See <http://www.ssa.gov/> for more information.

We look forward to having you as a colleague and hope that your association with the Santa Cruz campus will be both pleasant and productive.

Sincerely,

*David P. Belanger*  
Acting Dean
